

## KAW Projects 2024

This pre-proposal should be **maximum 3 pages plus maximum 5 CVs**.

(Font Arial, font size 11, single spaced, marginal 2,5). The application should be well written and easy to understand without over-technical language.

Please consider the guidelines and assessment criteria at the [KAW website](#).

The purpose of the Foundation:

*"The Foundation's aim is to benefit Sweden by supporting Swedish basic research and education, mainly in medicine, technology, and the natural sciences. The Foundation supports projects with high scientific potential. Projects should be focused on a coherent research question where the complementary competencies of the participating scientists gives new possibilities to attack the chosen research question."*

Remember to include the following information, in this order:

### 1<sup>st</sup> page

- Project title
- Main applicant (name, gender and school at KTH)
- Co-applicants (school at KTH and/or other universities, name, gender). Please indicate if you plan to apply from several universities with the same application
- Total budget applied for and the duration of years
- Department head signature
  - This signature certifies that the department can receive this Wallenberg grant even if the grant does not provide full cost coverage

### Pages 2 and 3

- Objective of the project including a clear scientific question
- Describe the originality, boldness and groundbreaking ideas
- Short presentation of the scientists, their contribution to the project scope and how they complement each other
- State of the art on the international level related to the project
- Suggested methodology
- Expected results, scientific impact and national use
- Other information pertinent for your application (risks, collaboration, etc)

## **CVs**

Maximum 2 pages CV of each applicant (PI and co-applicants) including:

- Selection of maximum 10 publications
- Short description of how the selected publications are relevant to this project
- Link to Google Scholar profile and e-mail address
- From Web of Science:
  - Total number of publications last ten years
  - Total number of citations (excluding self-citations)
  - h-index

The pre-proposal, should be sent to [wallerbergfoundations@kth.se](mailto:wallerbergfoundations@kth.se) at Research Support Office no later than **September 13, 2023**.
