

Application for credit transfer from studies in a country other than Sweden

First name	Last name	Personal identity number (yymmdd-xxxx)	Email address
Your programme at KTH	Higher institution in other country	Country in which you have studied	

- **In the left part of the table**, please enter the course code, course title, and the credits (according to the university's/country's local credit system) for the course for which you are applying for a credit transfer.
- **In the right part of the table**, please enter the course code (using the format AB1234), course title, and ECTS credits for the course you wish to have credited at KTH. If you want to have the course credited for an elective course at KTH, you should leave the field for the course code empty. Write "elective course" instead of the course title.
- In the column Level, you state whether the course is at the bachelor's or master's level.
- Send this form to your programme's international coordinator. [Find contact info on the Student web](#).
