

Program for Mathematics 2020

The program includes three parts:

- Nomination of guest professors
- Postdoctoral Scholarship Program in Mathematics for researchers from outside Sweden
- Postdoctoral Scholarship Program in Mathematics for researchers with a Swedish doctors degree

You will need a support letter from our President for the top two parts.

The process:

Information to Head of school/newsletter: June 28, 2019

Contact RSO at the latest: September 17, 2019

Deadline letter of support: September 28, 2019

Signature of our President: October 1, 2019

Deadline KAW: October 5, 2019

Nomination process:

To be nominated the applicant contact [Research Support Office](#). We need your name (and the name of the guest professor) in order to proceed with the application. You will also receive the template for the support letter.

The researcher send us an abstract/a version of the application and fill in the template for the support letter.

RSO list the applicants and inform our Vice President for Research. If OK, the support letters will be signed by our President October 1, 2019.
