

## Choosing "Programme director/Director of studies" in the ISP (section 4.3)

The following information is intended for principal supervisors and doctoral students at the School of Electrical Engineering and Computer Science (EECS). Based on the list below—organised according to the school's four doctoral programmes—please select the correct "Programme Director/Director of Studies" in section 4.3 of the ISP.

### Electrical Engineering (by specialisation)

Decision and Control Systems:	Cristian Rojas (if Cristian is the supervisor, select Mohammad)
Electromagnetics:	Martin Norgren (if Martin is the supervisor, select Göran)
Electric Power Systems:	Mohammad Reza Hesamzadeh (if Mohammad is the supervisor, select Cristian)
Information and Signal Processing:	Mats Bengtsson (if Mats is the supervisor, select Tomas)
Micro Systems:	Göran Stemme (if Göran is the supervisor, select Martin)
Plasma Physics:	Tomas Karlsson (if Tomas is the supervisor, select Mats)

### Computer Science (by department)

CST:	Pawel Herman (if Pawel is the supervisor, select Johan)
NSE:	Mathias Ekstedt (if Mathias is the supervisor, select Ioana-Oriana)
RPL:	Iolanda Leite (if Iolanda is the supervisor, select Mathias)
TCS:	Ioana-Oriana Bercea (if Ioana-Oriana is the supervisor, select Pawel)
TMH:	Johan Boye (if Johan is the supervisor, select Iolanda)

### Information and Communication Technology (by specialisation)

Communication Systems:	Ben Slimane (if Ben is the supervisor, select Elena)
Electronic Systems:	Elena Dubrova (if Elena is the supervisor, select Amir)
Integrated Devices and Circuits:	Elena Dubrova (if Elena is the supervisor, select Amir)
Computing and Learning Systems:	Amir Hossein Payberah (if Amir is the supervisor, select Ben)

### Mediated Communication

Rob Comber (if Rob is the supervisor, select Pawel Herman)
